

## **REQUEST FOR PROPOSALS**

**CADE's business model is unique. We employ a small, lean and efficient staff that is supported by a portfolio of professional consultants. This allows CADE to keep its overhead costs low and provide more resources for client development. If you are an independent consultant and you feel your skills match up with CADE's mission and philosophy we invite you to fill out the Request for Proposals for possible inclusion in CADE's portfolio of food system consultants. *Please feel free to email, fax or USMAIL your answers to this request.***
